

CREATING MAKEUP

with MuMe

creme blush . highlighter . lip stick . setting spray

If you are interested in makeup, creating makeup or are just curious to know how it's made this could be the workshop for you.

This practical and fun workshop is approx. 3hrs and include 3 or 4 of the following products:

- Lip stick
- Lip gloss
- Crème blush
- Highlighter
- Fixing spray

Emma has been making products professionally and teaching in the beauty industry for over 10 years and is creator of the award winning MuMe solid makeup brush cleanser.

These Creating Make-Up workshops will give you a chance to enhance your knowledge of the industry, open you up to a slightly different career path and make some beautiful products to take away with them.
